### A Fist In The Hornets

A Fist in the Hornet's Nest by Richard Engel is an interesting book. It is essentially a journal about his experiences being a reporter in Iraq and the Middle East in general. The book flows with time, starting as he embarks to Egypt beginning his career, and ending about a year or so after the fall of Saddam.

### A Fist in the Hornet's Nest: On the Ground in Baghdad ...

Based on his private journals and his public interviews, A Fist in the Hornet's Nest is Richard Engel's harrowing, fascinating, and informative view of Iraq from street level. Through his wartime reportage, Engel has emerged as one of the preeminent journalists of his generation and an invaluable source on Middle Eastern affairs.
