GCSE Business - Hodder Education

When someone first sets up in business, he/she may have some unstated aims or objectives - for example to survive for the first year. Other businesses may wish to state exactly what they are aiming to do, such as Amazon, the Internet CD and bookseller, who wants to "make history and have fun". An aim is where the business wants to go in the future, its goals. It is a statement of purpose, e.g ...

Aims and Objectives of a Business (GCSE) | Business | tutor2u

There are three main approaches a business takes to setting price: Cost-based pricing: price is determined by adding a profit element on top of the cost of making the product. Customer-based pricing: where prices are determined by what a firm believes customers will be prepared to pay Competitor-based pricing: where competitor prices are the main influence on the price set Let's take a brief look ...
