Sometimes cats never fully accept a new kitten but will simply coexist, keeping to themselves away from the other cat in the house. You'll want to make sure that no matter how your cat feels about the new kitten, that things stay peaceful and you have the best chance at creating a budding friendship from the start.

How to Train Your Older Cat to Accept a Kitten

Indoor cats may also pick up bacteria and viruses when they stay at a kennel and if you bring a new cat home. Keep in mind that vaccines don't offer total immunity from diseases. To help your pet stay healthy, limit her contact with infected animals and to environments where diseases may be more common.

Cats shown below are available for adoption in New York City. Don't live in the area? Search for Adoptable Cats in Your Local Shelter » Does the ASPCA have kittens? The ASPCA Adoption Center consistently has kittens available for adoption, especially during the summer months.

Adoptable Cats and Kittens | NYC | Adoption Center| ASPCA

Cats' territorial aggression is usually directly toward other cats, but it can be directed toward dogs and people, too. A cat can show territorial aggression toward some family members and not others and toward some cats but not others. Cats mark their turf by patrolling, chin rubbing and urine spraying.
