Changing Social Norms in the Time of a Pandemic ...
Social Norms and Social Change. By Sally Raskoff. As students of sociology, we learn about social norms. Social norms are guidelines for expected behaviors, thus they set out our options for appropriate behavior. Bradley Wright's blog post nicely describes a number of social norms operating in a college setting.

Everyday Sociology Blog: Social Norms and Social Change
In the end, reforming social norms takes great responsibility and balanced evaluation by both the individual and the institution seeking change, but since crowd psychology doesn't solely depend on logic, it is safe to assume that we'll face many social and cultural obstacles in the future. Why Even Terrible Social Norms Are Hard to Change ...
Norms come in all shapes and sizes, whether social, legal, or moral, and they exhibit a subtle contradiction, which they share with institutions like the state or transnational corporations: they are both static and changing. At any given moment, most norms appear fixed; people see them as a 'given', a pre-existing, eternal, social reality.

Shifts In Social Norms Often Underpin Change - Oxford ...
Understand what social norms are behind a behaviour and which networks influence those norms. Know how you intend your intervention to influence norms and how to measure its impact. Change has to come from within - rely on local leadership and solutions and help communities make the links between their values and the impact of child marriage. Focus on positive norms in the community - a focus only on harmful norms can reinforce a behaviour by signalling that it is expected.
