There's a calendar date parents of Oppositional Defiant kids often cling to: the 18th Birthday. That magical day when your child becomes an adult and you are no longer responsible for him — at least not legally. Sure, you'll still be his parent. But things will be different! No more power struggles, disrespect or refusal to follow the rules.

Parenting an Adult Child with ODD: When They Dont Leave at 18

When they still domineer adult children who still consent to submit to this dominance, not daring to displease or challenge parental authority, it often takes bold acts of independence, sometimes...

Parenting After the Adolescent Becomes Adult | Psychology ...

Adult Children. The transition from childhood to adulthood can be challenging - even under the best of circumstances. Many young adults living at home are not emotionally or financially ready to live independently. When parent expectations for adult children don't line up with what the child is thinking or doing, conflict can arise.

An young adult with ADHD may struggle with focus and attention whereas an executive-functioning challenged person requires a great deal more energy managing multiple tasks simultaneously. These challenging may spill over into difficulty managing social and emotional tasks that may appear common and normal for someone else.

Young Adults: Learning Disabilities and Emotional Problems ...

"Daring the Bad Boy" is author Monica Murphy's newest young adult book, and I found it to be fun, refreshing, and light-hearted. I am a huge fan of Monica, and like all her books, this book does not disappoint. Annie is a shy, high school student, who wants desperately to be more than she is - stronger, more confident, and more daring.

Daring the Bad Boy on Apple Books

Her defiant "panther growl" and dramatic slogan "Do something outrageous every day" launched nothing less than a contemporary cultural revolution, both in terms of redefining the meaning of age and through her insistence on "young and old together." "Maggie Growls" looks at the forces that shaped the movement as well as its leader, using Maggie's life as a lens through which to examine the intertwined issues of social reform and aging in America.
