Embedded : the media at war in Iraq : Katovsky, Bill ...

The term "embedded media," itself, probably a spin-off from "cyberese," has been around the military since at least the Persian Gulf war to describe reporters who were housed with combat units. So Whitman did not invent embedding, he simply took real war in real time into more American living rooms than any reporting of any armed conflict in ...

"Embedded: The Media at War in Iraq" by Ridge, George ...

Embedded journalism was introduced by the U.S. Department of Defense during the Iraq War (2003-11) as a strategic response to criticisms about the low level of access granted to reporters during the Persian Gulf War (1990-91) and the early years of the Afghanistan War (which began in 2001).

Embedded journalism | Britannica

Embedded journalism refers to news reporters being attached to military units involved in armed conflicts. While the term could be applied to many historical interactions between journalists and military personnel, it first came to be used in the media coverage of the 2003 invasion of Iraq.

Embedded journalism - Wikipedia

During the 1991 Gulf War, The Nation and other media entities brought suit against the military for restricting their First Amendment access. In the so-called televised war, the media wanted more access than press pools allowed.
