Matching Theory Plummer - akmach.cz

Imprint Blurb:AMS Chelsea Publishing: An Imprint of the American Mathematical Society. Abstract: This book surveys matching theory, with an emphasis on connections with other areas of mathematics and on the role matching theory has played, and continues to play, in the development of some of these areas. Besides basic results on the existence of matchings and on the matching structure of graphs, the impact of matching theory is discussed by providing crucial special cases and nontrivial examples ...
