The Moors of Europe. Moorish Culture. The word moor originated from "Mauro" which is Greek for dark or black. The origin of this word came from when Romans explored Africa in 46 BC. This word eventually transformed into moor. Eventually, the meaning of this word transformed into a derogatory word referencing the black Muslims of North Africa.

## **Moorish Culture - The Moors of Europe**

The Moorish sultan was received with much love and courtesy and there they handed over to him his son, who had been a hostage from the time of his capture, and as they stood there, there came about four hundred captives, of this who were in the enclosure, with the cross and a solemn procession singing the Te Deum Laudamus, and their highnesses ...

## **The True Negro (2a): The Berbers (Moors)**

The Moors brought sugar cane to Spain but also loved using fruit in their savory dishes, especially dried fruits like apricots and various citrus fruits, which they also introduced. Up until then, Europeans had only prepared very sweet confitures, often with honey.
