### **Land Rover Range Rover Replacement Transmission Parts ...**

The Range Rover Classic is a 4x4, mid-size Sport utility vehicle series produced from 1969 to 1996 - initially by the Rover (later Land Rover) division of British Leyland, and latterly by the Rover Group. The first generation of vehicles produced under the Range Rover name, it was built as a two-door model for its first 11 years, until a four-door also became available in 1981.
