Many believe Christ to be a savior, but not THE Savior. These skeptics put Jesus in the same class with Mohammed, Buddha, Confucius, Ghandi, and others. But Jesus was unique. He was God in human flesh — 100% God and 100% man. John 14:6 tells us that Jesus is the only way to heaven. There is no other way.

In short, this verse teaches us that Jesus Christ is the complete revelation of God to man. To see him is to see God. I begin my sermon with this crucial verse because I want to make an arresting point. Not everyone who believes in Jesus believes what I have just said.

A man who was merely a man and said the sort of things Jesus said would not be a great moral teacher. He would either be a lunatic—on a level with a man who says he is a poached egg—or else he would be the Devil of hell. You must make your choice. Either this man was, and is, the Son of God, or else a madman or something worse.

Jesus' impact on our world is highly unlikely, widely inescapable, largely unknown, and decidedly double-edged. It is unlikely in light of the severe limitations of his earthly life; it is inescapable because of the range of impact; it is unknown because history doesn't connect dots; and it is doubled-edged because his followers have wreaked so much havoc, often in his name.
